

TIME TO DELIVER. BUILDING FOR THE FUTURE.

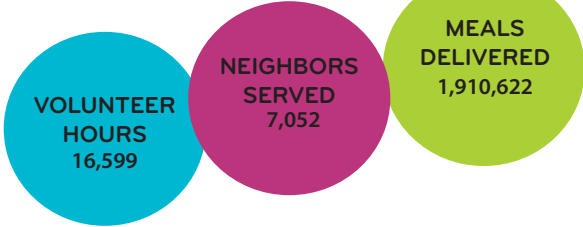

TO SERVE MORE. TO DELIVER MORE. MORE THAN A MEAL.

MORE NOURISHMENT. MORE INDEPENDENCE. MORE CARE.

# MEALS on WHEELS® SAN ANTONIO

## FY 2022 REVIEW:

## THANK YOU FOR YOUR *continued support and*

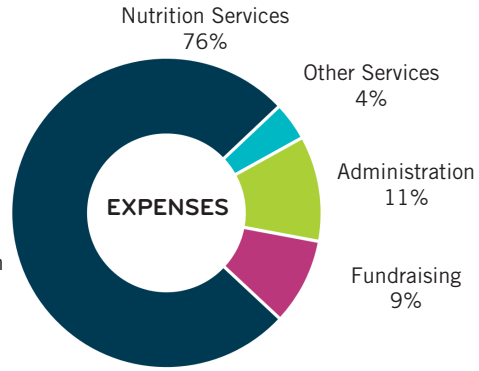

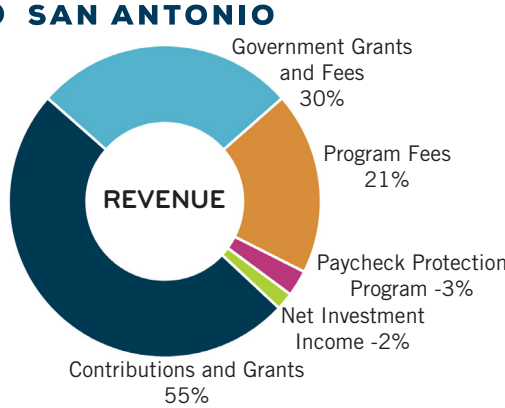

making it possible to deliver nutrition, independence, and care to older and disabled members of our community during a time when they need it most.

*I wouldn't eat if it wasn't for Meals on Wheels.*

- Erline, Client

*The people who make these meals do a heck of a job. I can depend on it. Same time every day.* - Walter, Client

This represents our combined operating and nonoperating revenue and expenses because we were fundraising for our new Campus of Grace.

*I'm so grateful for everything from Meals on Wheels. It makes my day to hear the knock on the door.*

- Rosa, Client
